Speed up to 5.4 Gbps

A better WiFi has arrived
### Simultaneous video calls, gaming and high-speed data capacity

Linksys Atlas Pro 6 with Velop Intelligent Mesh is a dual-band WiFi 6 router that simultaneously delivers next-level streaming, gaming and uninterrupted video calls to more than 30 devices per node. Access to 160 MHz unleashes the true power of WiFi 6 technology—the least-congested channels available on the 5GHz band offer incredibly fast connectivity. Dynamic Frequency Selection (DFS) provides access to more channels, reducing interference from neighboring networks. Velop Intelligent Mesh technology offers whole home mesh WiFi coverage that's easily expandable by adding additional nodes. With easy setup, advanced security and parental controls, Linksys Atlas Pro 6 is an essential upgrade to any home.

Eliminate dead zones

Enables future network expansion by adding nodes

Each node continuously optimizes for the fastest internet path

Features and Benefits

- **WiFi 6 Offers 4x More Capacity***
  The Linksys Atlas Pro 6 Dual-Band WiFi Mesh system uses the latest WiFi 6 (802.11ax) standard to deliver true gigabit speeds throughout your entire home, up to 5.4 Gbps with 6-stream connectivity.

- **Powerful Mesh Coverage**
  Velop Intelligent Mesh technology combined with WiFi 6 is designed to deliver gigabit WiFi speeds to every corner of your home, including the backyard and outdoor smart home devices.

- **160 MHz Capable**
  Access to 160 MHz unleashes the true power of WiFi 6 technology. The least-congested channels available on the 5GHz band offer incredibly fast connectivity. Faster peak data rates allow work-from-home, online learning, streaming, and gaming devices to operate simultaneously without diminished bandwidth.

- **More WiFi Channels**
  Dynamic Frequency Selection (DFS) provides access to more channels, reducing interference from neighboring networks.

- **Industry-Leading Technology**
  The Qualcomm™ Immersive Home 216 Platform delivers the ultimate WiFi 6 experience. This next-generation technology transforms home and business WiFi with its wire-like stability and blazing-fast performance.

- **Easy Setup, Easy Control**
  It's simple to set up, lets you access your network from anywhere, and view or prioritize which connected devices are using the most WiFi—all from the free Linksys app.

- **Works with all Internet Providers**
  Atlas Pro 6 works with all modems and ISPs, and is 100% backward-compatible with WiFi 5 and older devices.

*As compared from 802.11ac to 802.11ax.

Linksys App

Package Includes

- MX5501
  (1 Linksys Atlas Pro 6 MX5500 Dual-Band WiFi Router)
- MX5502
  (2 Linksys Atlas Pro 6 MX5500 Dual-Band WiFi Routers)
- MX5503
  (3 Linksys Atlas Pro 6 MX5500 Dual-Band WiFi Routers)

- Quick Start Guide
- Ethernet Cable(s)
- Power Adapter(s)
- Regulatory and Warranty Documentation

Tech Specs

Speed
Dual-Band AX5400 up to 5.4 Gbps
Radio 1 – 2.4 GHz Band 802.11ax - 574 Mbps
Radio 2 – 5 GHz Band 802.11ax - 4804 Mbps

MU-MIMO Technology
VPN Pass Through – ISPec, PPTP, L2TP
2.4 GHz Operating Frequencies (2412-2472 MHz)
5 GHz Operating Frequencies (5180-5825 Mhz)

WIFi Standards
802.11a, 802.11b, 802.11g, 802.11n, 802.11ax,
802.3ab, 802.3u

Dimensions
3.385" x 3.385" x 7.3" per node
(86mm x 86mm x 185.5mm)

Processor
1.0 GHz Dual-Core

Memory
Flash – 256MB
RAM - 512MB

Antennas
4 (internal, non-adjustable, non detachable)

Security
WPA3/WPA2-Personal Encryption
SPI Firewall
Automatic Security Updates
Security key bits – Up to 128-bit Encryption
Parental Controls
Separate Guest Network
Linksys App

Ethernet Ports
3 Gigabit LAN Ports and 1 Gigabit WAN Port

Power Adapter
Input – 100-240 V, 50-60Hz
Output – 12V/2A

Operating Temp – F (0 to 40°C)
Storage Temp - -4 to 140°F (-20 to 60°C)
Operating Humidity – 10 to 80% non-condensing
Storage Humidity – 5 to 90% non-condensing

Bluetooth®
5.1 with L.E. for secure and easy app-based setup

Part Number
MX5501 – 1-Pack
MX5502 – 2-Pack
MX5503 – 3-Pack

UPC
MX5501 – 745883817337
MX5502 – 745883817436
MX5503 – 745883817498

3-Year Warranty
24/7 Customer Care

Required for setup
Internet connection with a modem or modem-router
supporting iOS or Android™ devices with data connection
